### **Volunteers needed!**

UpValley Family Centers (UVFC) is in need of community volunteers to serve as tutors for students at the St. Helena Primary and St. Helena Elementary Schools.

In partnership with St. Helena Unified School District, UVFC will be launching the *Tutor Volunteer Program*, aimed to support St. Helena students grades k-5.

UVFC welcomes Annette Smith to lead the charge as the *Tutoring Volunteer Coordinator* for this new and exciting program designed to help build relationships between the community and our schools while promoting student success. The Tutoring Volunteer Coordinator will serve as the liaison, connecting community volunteers with opportunities to make a positive difference for students and our local schools.

Community volunteers are currently being recruited to serve as tutors for students. Volunteers are asked to participate one hour a week, from April through end of May. UVFC will be hosting two orientations for interested volunteers on Tuesday, March 28. The first orientation will take place at 10am at the St. Helena Primary School. The second orientation will take place the St. Helena Elementary School at 3:30pm. Interested volunteers must attend one of these two meeting times or set up a separate time with the Tutoring Volunteer Coordinator.

We hope you can join us and help our local students succeed!
