Services Program (CMSP)

Ask Yourself the Following Questions:

- Do you or someone you know repeatedly neglect responsibilities at home, work or school because of their drinking or using other drugs?
- Do you or someone you know use alcohol and/or other drugs in situations where it is physically dangerous?
- Are you or someone you know experiencing repeated legal problems on account of drinking alcohol or using other drugs?
- Do you or someone you know continue to drink alcohol or other drugs even though the use is causing problems in your/their relationship?
- Do you or someone you know use alcohol or other drugs as a way to relax or de-stress?
