- 🔄 Work with partners who can help to advance our goals.

# Our Model

The UpValley Family Centers operates as a Family Resource Center, which is endorsed by the California Department of Social Services as a best practice for serving families and strengthening communities. Taking a prevention-focused, community-responsive approach, our services are culturally sensitive and aim to help families and communities build on the strengths they already possess to create a future of opportunity for themselves. We serve children, youth, adults, and seniors who live and/or work in the rural communities of Calistoga, St. Helena, Deer Park, Agwin, Pope Valley, Lake Berryessa, Oakville, and Rutherford.

**Everything we do is guided by the principles of trust, dignity, respect and cultural sensitivity, equity, and collaborative action.**
